20th July 2018

Dear Parent(s)/Carer(s)

PE, Games and Swimming Kit Requirements

The new academic year is nearly upon us, so I am writing to remind everyone about the requirements of school uniform for games, PE and swimming lessons from September 2018. It is essential that all children in all year groups have the correct kit for the correct lesson. Children are regularly reminded in school about their lesson and their PE/swimming afternoon rotation.

To simplify the situation the following information will be relevant to all children in the school.

Games Lessons

All children in all year groups require the following kit for **all** of their games lessons **until Easter 2019**. **All of these items should be clearly named.**

- Navy Blue Hamworthy Park Junior School T – shirt
- Black shorts – tracksuit bottoms can be used in winter for games only but shorts must be in school as well
- Black football socks
- Shin pads
- Football boots with studs or blades (in a bag) - we do sell second hand boots in school for £1, if we have a child's size, and we will swap old boots that no longer fit as part of our swap shop
- Trainers – in case the lesson takes place inside
- A warm jumper which is not your child's school jumper may be worn, if required

All children will be taking part in football and rugby sessions during the Autumn term so studded football boots will be required for these sessions. We do operate a boot swap and buying system in school. Either hand in a pair of old football boots to exchange for a different pair or bring in a £1 donation to buy some boots, if we have your child's size. Please note: our supplies are currently low, so we may not have your size in stock. However, we are accepting donations. If you have any unwanted boots laying around at home, we will happily take them off of your hands!

Swimming

All children require swimming costume/trunks/shorts, a towel, hat and goggles, if desired.

Missing Kit

Every effort is made within school to see that the children are dressed appropriately for games lessons. It is a key part of our school uniform policy and one that parent(s)/carer(s) agree to when accepting a place at Hamworthy Park Junior School. Please make sure that **all** kit is named so that if lost it can be returned.

We are very proud of the activities and opportunities that we offer at Hamworthy Park Junior School. Please help us to maintain high standards and allow the children the best opportunity to participate in the sporting opportunities offered.

Yours sincerely

Mr J Lumber
Head of School
