

Year 4 Rainforest

Home-learning project!

This Spring Term in Year 4 we would like you to research and create a project all about the rainforest. We have learnt so much this half term and it would be wonderful to see this learning put into action!

Remember, be as creative as possible!

You can...

- Research
- Design
- Create
- Perform
- Present

...anything to do with the rainforest!

We have all been very impressed with the fantastic Ancient Egyptian projects we received in the Autumn and cannot wait to see what children create. 😊

Date due: Monday 11th March
